Fishing seminar set at Grahams Island State Park

Professional fisherman, Johnnie Candle is holding his 3rd annual fishing seminar at Grahams Island State Park on Saturday Aug. 9, at 7p.m. in the Sivert Thompson Center.

Candle has been competing in tournaments throughout the United States and Canada for nearly 20 years, making him well versed in fishing walleye, trout and salmon on some of the greatest fisheries in North America. He owns and operates a professional guide service right here in beautiful Devils Lake, ND, his hometown.

At the seminar, Candle will discuss fishing techniques to use on one of the nation's finest fisheries, Devils Lake. He also will discuss the best areas to target when searching for walleye habitat in mid-summer.

The only cost for attending the seminar is the \$5 vehicle entrance fee for the park.
